Well-known Golfers' Visit

BRILLIANT PLAY AT **TRENTHAM** PARK CLUB

TRIBUTE TO COURSE

(By FAIRWAY)

A PART from the usual competitive events in the district, some of the North Staffordshire clubs have shown commendable enterprise in promoting matches between wellknown players, this serving the dual purpose of giving their own members an opportunity of seeing first-class golfers in action, and of testing the merits of the course.

Trentham Park club staged an interesting match this week, Charles Stowe, the Penn golfer and Walker Cup player, and S. B. Roberts, the Welsh international, opposing two club representatives in Geoffrey Mills and Alistair Sheppard.

Mills is a former holder of the Staffordshire county title, and Sheppard is the professional at Trentham Park.

The two games produced some excellent golf, and a large gallery showed appreciation of the high standard of play.

The morning round resulted in a win for the home players by 4 and 3, with a better ball score of 9 under par for the 15 holes. This brilliant score was made up by an outward half of 31 by Sheppard, Mills remaining the fine form of his partner by an eagle 3 at the 12th and a birdie 2 at the 13th.
